The 2011 DRLPS limited-edition annual ornament (#14 of 15 in a series) commemorates the rehabilitation in 2010 of the DeTour Reef Light 1956 F2T Diaphone Foghorn funded by a Michigan Lighthouse Assistance Program grant and DRLPS and managed by DRLPS volunteers Don Gries and Chuck Feltner. A four-inch circle clear bevel-edged glass is etched with a photo taken by Jeri Baron Feltner in 2010. Ornament includes a hanging ribbon, gift box, and description card.
